## **Mare Admission Form for Assisted Reproduction**

### **Disclaimer**

- Positive results cannot be guaranteed. Pepper Tree Farm Equine Clinic (PTFEC) can accept no responsibility for the quality of semen, or its disease or genetic status.
- The mare will be placed in a crush and examined internally on multiple occasions, causing a small but finite risk of injury, infertility or death.
- Reproductive hormones, sedatives and relaxants will be used at our discretion, at owner's expense.
- The mare may be placed in a paddock with other mares at our discretion
- The mare will be wormed and have her feet trimmed at our discretion, at owner's expense.
- Pepper Tree Farm Equine Clinic will take all due care and provide attention and service to your horse whilst they are at the clinic. However problems such as sickness, injuries and lameness may occur. In the event that you cannot be contacted regarding treatment or unforeseen problems PTFEC will treat as necessary. Every effort will be made to advise you prior to treatment. Any costs will be billed to the client.
- Unless otherwise authorised, full payment is expected before you mare departs PTFEC.

### **Mares for Embryo Transfer**

The cost of the recipient mare is due and payable on 45 day pregnancy test. The cost of the recipient mare includes all drugs and pregnancy scans due up to and including the 45 day pregnancy scan. Agistment will be charged at the standard rate for the recipient after the 45 day pregnancy scan and billed at the client's expense. It is the client's responsibility to arrange transport for the recipient mare once the mare has been scanned 45 days in foal. Please notify the clinic at least 24 hours prior to the arranged departure of the recipient mare. It is the client's responsibility to care for the recipient mare and return her to Pepper Tree Farm Equine Clinic once the foal has been weaned. The cost of transport for the recipient mare to and from PTFEC is the owner of the embryo's responsibility. Please notify the clinic immediately if the mare is ill, injured or loses the pregnancy. The recipient mare must be returned in an acceptable condition. PTFEC will not be held responsible for any accounts payable for vet bills, transport or agistment due for the recipient mare. This is the responsibility of the owner of the embryo the recipient mare is carrying.
